

# WE ARE RECRUITING

## POST-GRADUATE INTERNS

BD-Nav strives to expose young graduates to multiple business departments to find strengths and build workplace experience.

We run 12 month internship positions where you will have the opportunity to be exposed to all aspects of our company: Account Management, Demand Planning, Data Verification, Analysis & Reporting and Business Intelligence.

### Education

A degree/diploma in any of the following fields:

- Information Management
- Communication,
- Computer Science,
- Information Management,
- Project Management,
- Business Management,
- Administration,
- Finance
- or other

### Skills

- An appetite for problem-solving, logical thinking and quick learning;
- Goal-driven and self-motivation;
- Multi-task capabilities;
- Strong interpersonal skills;
- Verbal and written communication;
- Team-oriented collaboration;
- Time management;
- Highly attentive to detail;

### Duties

You will have the opportunity to spend time in every department of BD-Nav. Once you've discovered your likes, dislikes, strengths and weaknesses, we will focus your duties more in line with your expectations if the business allows for it.

**Note:** Participating in the internship does not automatically qualify you for a full-time position at the end of the 12 months, but we have a very high success rate of appointing interns after the contract ends.
